The Northwest Vintage Radio Society

Post Office Box 82379
Portland, Oregon 97282-0379

The Northwest Vintage Radio Society is a non-profit historical society incorporated in the State of Oregon. Since 1974 the Society has been dedicated to the preservation and enjoyment of "Vintage radio" and wireless equipment.

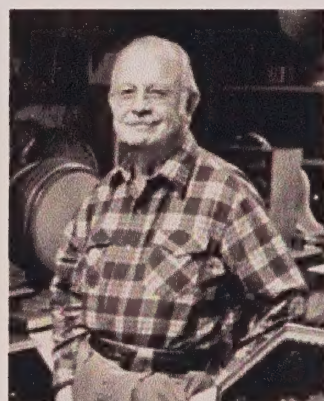

Membership in the Society is open to all who are actively interested in historic preservation. The dues are \$25.00 for domestic membership, due on January 1st of each year (prorated quarterly).

The *Call Letter* has been a monthly publication since 1974. It was originated with the founder, Bob Bilbie, and our first president, Harley Perkins. Through several editors and with the assistance of numerous society members, the *Call Letter* has continued to be a publication that informs members of the society's business and that supports the hobby of collecting, preserving, and restoring vintage radios.

Society meetings are held the second Saturday of each month at the Abernethy Grange Hall at 15745 S. Harley Ave. in Oregon City, Oregon. They convene at or about 10 AM for the purpose of displaying radios, conducting Society business, and exchanging information. Guests are welcome at all Society meetings and functions (except board meetings).

Other Society functions include guest speakers, auctions, radio shows, and radio sales which are advertised in the *Call Letter* and are held in and around Portland.

With each issue of the *Call Letter*, we remember Jim Mason, a charter member of the society who remained active until his death in 1998. A generous bequest from Jim's estate ensures the vitality of the Northwest Vintage Radio Society, and continued publication of the *Call Letter*.

From the Editor

by *Call Letter* editor, Rick Walton

An early word of warning: I won't be at the September meeting. I will be busy that day as Father of the Bride. My youngest daughter is getting married. She'll have radios on the tables at the reception - my radios.

This isn't the biggest issue ever, but it is chock full of stuff. There are lots of pictures of the audio amps featured at the July meeting. Mark Moore has provided us with another report on the growing archives. Bob Deuel reports in Voilá that he needed a trailer. And take a look at the Leads and Needs in the Swap Shop. There are some very nice radios making their appearance.

We have two new members listed in the Roster Update. One of them, Slade Smith, is our youngest member at age 14. It's great to see that there are young folk taking an interest in our hobby and its goals of preservation and education.

On another note, we received an e-mail from Jon Kummer, the new editor of *Antique Radio Classified*, asking if our club information is correct in that publication. I responded that the basic info is just fine, and I added info about our Swap/Sales in May and October. I mention this because it is good to know that he is taking an active interest in making sure that club information is accurate. ARC provides a vital function for our hobby, but is dealing with the same problems that other print media are facing. Here's wishing Jon the best.

Recent items that were given to me for the NWVRS Archives included a Guarantee Bond for a Masterpiece Phonograph that was purchased by C.G. Jensen of Timber, Oregon on May 12, 1920 from B.H. Jacques who had a shop at 145 Grand Avenue in Portland. Thanks to Ray Vanderzanden for donating this.

Also, Bob Campbell submitted a window decal for Civil Defense Radio Races as well as a decal of the Peerless Roadrunner. In the early years, Peerless manufactured radios.

If you haven't seen it yet, this is your last call for the Mel Blanc exhibit at the Oregon Jewish Museum at 1953 NW Kearney Street in Portland which runs through Sept. 11, 2011. (Parking is free in their lot.) A donation is suggested for admission.
